Dear Ms. Dortch:

The Small Company Coalition (SCC), files this letter regarding the alternative universal broadband service proposal it has developed for the Commission's consideration. A previous version of this proposal has been provided to the Commission and other parties in the above-listed dockets (*see e.g., Comments of Alexicon Telecommunications Consulting, WC Docket No. 10-90, July 17, 2013*). The SCC, in response to recent correspondence from NTCA - The Rural Broadband Association (*see e.g., Ex Parte Letter from Michael R. Romano to Marlene H. Dortch, WC Docket No. 10-90, et al, filed March 31, 2014*) related to the targeted Connect America Fund (CAF) program proposed by a group of national associations, provides the attached updated summary of the SCC proposal for the Commission's further review and consideration.

Thank you for your attention to this correspondence. Pursuant to Section 1.1206 of the Commission's rules, a copy of this letter is being filed via ECFS.

Sincerely,
